Dear Mr. Wall

I write to advise that Co-operatives Victoria will be organising a conference in October 2013 on Towards 2022. We will be inviting member and non-member co-operatives and other interested parties to participate and I would hope that you and Melina would also be able to attend and contribute..

I understand that it is now anticipated that the public discussion paper on national co-operative representation, which you foreshadowed at the National Co-operative Conference on 25 October 2012, is likely to be released in June 2013.

This would be ideal timing for our next board meeting in that month. The board is eager to examine the proposal/s which will be critical input for the Towards 2022 Conference.

Yours in co-operation

Tony O'Shea  
Chairman
